LOT 605

An 18ct gold and diamond single stone ring, claw set with a circular cut diamond, weight 3g, ring size approx P, diamond weight approx 1.40ct, with a case.

Estimate: £1,800 - £2,500

Condition Report

605. The ring has not been professionally graded, but we would estimate the clarity in the range of SI2-I2, with a number of black inclusions, some visible to the naked eye. The stone is quite bright and sparkly but is of a light greyish tone. Hallmark Birmingham 1990. Diamond diameter approx 7mm. The shank has thinned slightly at the back.
