LOT 1131

A George III mahogany mantel timepiece with eight day single fusee movement, the engraved backplate inscribed 'Hardeman, Bridge', the painted circular dial with black Roman hour numerals, the dome top case with brass line inlaid decoration, on an ebonized plinth base and brass claw and ball feet, height 26cm, with pendulum. Note: Samuel Hardeman is recorded in 'Watchmakers and Clockmakers of the World' by Brian Loomes as working in Bridge, Kent, circa 1762 to 1794.

Estimate: £100 - £150

Condition Report

1131. Case in generally good restored condition, minor lifting to brass inlay. Brass handles look a little small, possibly replacements. The dial is a bit rough and discoloured. The movement winds smoothly and runs but please be aware we give no guarantees to working order or reliability of any clock or watch. The clock is one of approximately 60 clocks in the sale from a deceased collector's estate.
