LOT 28

Mary Fedden - Cat resting on a Red Chair, watercolour with gouache over pencil traces, signed and dated 1986, 19.5cm x 23.5cm, within a gilt frame.

Estimate: £2,000 - £3,000

Condition Report

Generally in good original condition. Possibly ever so slightly faded. Paper or board seems to have bowed slightly. No visible tears or foxing. Mount is not archival and has some foxing probably caused by detritus trapped beneath glass. The mount also has discolouration to the cut edge. Gilt frame has minor scuffs and scratches. Unexamined out of the frame.
