LOT 2271

An early 20th century Continental Chinese style carved and stained softwood low table, in the manner of Gabriel Viardot, the green marble top above a frieze drawer and gilt metal mounts, height 30cm, width 62cm, depth 51cm (some faults).

Estimate: £60 - £100

Condition Report

2271. As can be seen from the photographs online, there are a few small areas of damage and loss to the pierced frieze panels, including sections on the front below the drawer and on the sides. The drawer frame is quite poorly made and may not be contemporary with the rest of the piece, as the rest of it is nicely constructed. Otherwise scuffs and surface marks.
