LOT 2252

An early 20th century oak two-section planner's chest, the drawers with brass cup handles, height 102cm, width 92cm, depth 71cm.

Estimate: £80 - £120

Condition Report

2252. Generally scuffed and marked, but in ok condition. The side skirting is loose, but present with the Lot. The top is quite difficult to see without taking off all the baize, but it appears to be a decent piece of oak.
