### Condition Report

Typical overall fine crazing to glaze.

Approx 2.5cm long by 1.5cm deep section of foot cleanly broken away and visibly glued - there are some minor glaze losses along the break line.

An approx 5cm long (halfway around the circumference of the neck rim) by 1.5cm deep section of the rim has been broken away in 4 pieces and visibly repaired with some very minor and inconsequential glaze losses along the break lines.

A few very minor inconsequential surface scratches to the glaze of the main body of the vase.
