### LOT 2035

A set of eight modern George III style stained hardwood dining chairs, comprising two carvers and six standards, all upholstered in pale green foliate damask, carver height 102cm, carver width 58cm.

Estimate: £80 - £120

---

### Condition Report

2035. The general condition and overall appearance is good, however one of the standard chairs is quite wobbly due to loose rear leg joints. There are a few scuffs and marks to the frames, some slight dry-out gapping to a few joins and the seats are a bit grubby and stained in places.
