

Clocks and Barometers / Wednesday, 28th April 2021 / Lot 1152

LOT 1152

A late Victorian Gothic Revival oak cased timepiece and barometer, the eight day movement with platform escapement, the enamel dial with Roman hour numerals, the barometer dial with printed detail and applied mercury thermometer, the carved arched case with Celtic cross surmount, on a stepped rectangular base, height 42.5cm.

Estimate: £50 - £100

Condition Report

1152. The timepiece is in generally good condition. The case is in good order with no significant damage or repairs. Typical minor scuffs and a bit dirty. The movement winds smoothly and is currently running, but please be aware we give no guarantees to working order or reliability of any clock or watch. Dials a little dirty around edges, but nothing significant.
