LOT 529

A 9ct gold and ruby oval hinged bangle with engine turned decoration, the front star set with seven circular cut rubies, on a snap clasp, Chester 1959, weight 27g, inside width 6cm, with a case.

Estimate: £200 - £300

Condition Report

529. Bangle is in good condition. Nice tight hinge. Clasp closes well. The rubies are well matched for deep colour saturation but are probably synthetic. Two or three light scratches to the exterior of the bangle. Hallmark clear.
