### LOT 539

A gold and diamond two stone ring, claw set with circular cut diamonds in a twistover design, weight 2.4g, a sterling silver ring with a Star of David motif, weight 1.9g, and two further rings.

Estimate: £50 - £70

### Condition Report

539. Diamond ring – one claw missing from one diamond. Diamonds look to be fairly clear stones.

The two silver coloured rings are in good condition.

The cabochon black sapphire ring is probably base metal and shows signs of wear. The gemstone looks to be a replacement as there is work to the metal surround.

All rings would benefit from professional cleaning.
