

Jewellery / Wednesday, 12th May 2021 / Lot 549

LOT 549

A gold, black onyx and marcasite dress set, comprising a pair of cufflinks, four buttons and a pair of studs, detailed '18ct' and '9ct', weight 13.2g (one cufflink back possibly replaced), with a case.

Estimate: £100 - £200

Condition Report

549. One side of one cufflink is not marked and is of a differing colour. It may not be gold. It is also missing one marcasite from the front corner. One marcasite to one corner is damaged on the other cufflink. There is some variation of marks throughout. Three of the button shanks are bent. One marcasite missing from one corner of one button. One marcasite missing from one corner of one stud. The case is associated in lieu of the original fitted case.
