Condition Report

1270. The slightly shorter figure on the left hand side of our illustration is in generally good condition, with only typical light wear, minor scuffs and a few shrinkage cracks to the wood and a couple of minor nicks and chips.

The other figure is in similarly good condition, with no significant damage or losses. Typical light wear, minor chips and scuffs, and a few shrinkage cracks to the wood.

Both are a bit dusty and dirty and would benefit from a clean.
