LOT 2016

A set of six late 19th century ash and elm Windsor kitchen chairs, height 90cm, width 38cm.

Estimate: £100 - £150

Condition Report

2016. The whole set has undergone a level of restoration at some point, making them structurally sound. However, they have had some overall repairs, including a few repaired breaks to backs, two chairs having new front legs, the rest having new tips added to mainly front legs and overall historic woodworm throughout.
