

Clocks and Barometers / Thursday, 15th July 2021 / Lot 1141

## LOT 1141

A late 19th/early 20th century brass skeleton clock with single fusee movement striking on a bell, the silvered chapter ring with Roman hour numerals, the pierced frame with bell surmount, on an ebonized base with glass dome, total height 39cm, with pendulum and winding key.

Estimate: £150 - £250

---

## Condition Report

1141. The clock appears to be in good condition with no significant damage or repairs. Silvered chapter ring with some minor wear and marks. The movement winds smoothly and runs but please be aware we give no guarantees to working order or reliability of any clock or watch. Strike mechanism also in working order with a single strike on the hour.

Ebonized base a bit worn and dusty. Glass dome is fully intact.
