

Needleworks, Textiles and Clothing / Thursday, 22nd July 2021 / Lot 2809

LOT 2809

A late 19th century woolwork and metal thread panel of naval interest, finely worked with a ship within an arched floral border with central crown crest, 30.5cm x 32cm, within a walnut frame.

Estimate: £80 - £120

Condition Report

2809. there are a few small blemishes to the wool surface and some loss to the lower sprig below the ship that could possibly be due to moth, but generally good condition overall.
