

Jewellery / Wednesday, 4th August 2021 / Lot 782

LOT 782

A white gold ring, claw set with a pear shaped opal within a surround of circular cut diamonds, detailed '18ct', weight 7.4g, ring size approx Q1/2, with a case.

Estimate: £300 - £400

Condition Report

782. Dehydration to the side of the opal. The opal has one or two tiny surface marks. The diamonds slightly draw colour and generally have a few internal inclusions. In one or two cases these inclusions are surface reaching. Claws in good condition. Suggested age ♦ 1970s/80s.
