LOT 605

A gold and diamond ring, gypsy set with a row of three cushion cut diamonds with foliate scroll decorated sides, unmarked, weight 8g, with a case.

Estimate: £1,250 - £1,450

Condition Report

605. One of the side diamonds has quite a deep pavilion which protrudes beyond its setting at the back. On a metal ring pole, it is ring size approx O, however on a finger it would probably comfortably fit one to two sizes more.

Diamond clarity approx S12/I1

Colour J

Total diamond weight approx 1.50ct

There is a slight split to the interior of the shank, with some light surface scratching overall.

Re-sized in the past.

Some light wear to the engraved decoration which might suggest early 20th century but it could be slightly later in date.

Tests as 18ct gold but unmarked.
