### Condition Report

555. There is a variety of diamond cuts used within the piece, including modern round brilliants to the birds, with some internal inclusion noticeable.

There is a little gold showing through the edge of the blue enamel on one side and a small dent to the blue enamel on one side of the cat's head.

The pin is slightly bent at the back.

The Lisbon hallmarks on the suspension loop are fairly modern, the piece is a reproduction of an earlier style.
