

Clocks and Barometers / Thu, 30th September 2021 / Lot 1156

### LOT 1156

An early 20th century French brass oval cased carriage timepiece with eight day movement, the white enamel dial with black Roman hour numerals and inscribed 'Asprey, Bond Street, London French Made', the oval case with bevelled glass panels, turned feet and swing handle, height 15.5cm, with winding key.

Estimate: £150 - £250

---

### Condition Report

1156. Overall generally good condition. Typical light surface scratches and wear. One glass side panel has been replaced with a curved plastic panel, other panels in good order. Dial has a crack to top right corner, but this is obscured from obvious view by the case. Lettering on dial is worn. Movement winds smoothly and runs, but please be aware we give no guarantees to working order or reliability of any clock or watch.
