

Jewellery / Wed, 3rd November 2021 / Lot 805

### LOT 805

An 18ct gold and diamond single stone ring, claw set with a circular cut diamond, London 1981, weight 3.4g, ring size approx M.

Estimate: £500 - £700

---

### Condition Report

805. Diamond - diameter approx 7mm, depth approx 4mm.

The diamond is quite a bright white stone but has a slightly cloudy appearance. It has a number of black mineral inclusions, some evident without magnification.

Some slight surface wear to the shank.
