## Condition Report

There is a pinhead sized dig to the exterior neck rim edge, and a small area of minor scratches just beneath the neck rim edge. There are two flat chips to the horizontal cut line above the faceted detail towards the base of the vase. The base corners of this faceted detail each have surface wear/abrasions and there is a pinhead sized dig on one of the facet edges of the foot. There are overall very minor surface scratches/wear commensurate with age and use.
