

British and Continental Ceramics / Thu, 25th November 2021 / Lot 1274

LOT 1274

A small group of Royal Crown Derby Imari teawares, pattern No. 1128, late 20th century, comprising teapot and cover, milk jug, mug, two teacups and saucers, two side plates and small rectangular dish.

Estimate: £80 - £120

Condition Report

1274. Mug - some minor scuffs/scratches the gilding.

Teapot - signs of use, minor staining to interior of spout. White residue on one side and handle, perhaps household paint but appears to be coming off.

Other pieces in generally good condition, light surface wear only.
