LOT 525

A gold cased, seed pearl and pink foil-backed gem set shaped oval brooch, first quarter of the 19th century, fitted with a safety chain, unmarked, weight 6.1g, width 2.5cm.

Estimate: £60 - £100

Condition Report

525. The centre stone is of darker appearance to the other stones. All the seed pearls are in good condition. There are one or two tiny dents at the back. Otherwise in fairly good condition. The safety chain is a later addition. The pin of the safety chain is fine but a little knotted. The rose colour of the gold would suggest 9ct.
