LOT 595

An 18ct gold and diamond ring in a triple flowerhead cluster design, mounted with circular cut diamonds, detailed '18ct', weight 3.1g, ring size approx P, with a case.

Estimate: £800 - £1,200

Condition Report

595. The diamonds are generally old cut stones but include two modern circular cut diamonds. The diamonds generally draw colour and have inclusions some of which are surface reaching. A bit of wear to the sides of the mount. The ring is of a late Victorian/Edwardian design but is probably of post 1950s manufacture.
