LOT 2118

Two similar 17th century North Country oak backstools, both with carved backs and recessed panel seats, height 104cm, width 46cm.

Estimate: £150 - £250

Condition Report

2118 - Whilst these chairs have had some overall restoration, including some replaced section of leg and feet, structurally they are quite sound. One of the chairs has a very slight loose joint to one rear leg/seat joint.
