## LOT 105

British School - Tondo Half Length Portrait of a Child, early 19th century oil, diameter 10cm, within a verre églomisé mount and gilt composition frame, together with a 19th century silhouette and two hand-coloured prints.

Estimate: £60 - £100

## Condition Report

105. Child portrait is on board or panel, though it is difficult to tell as the frame is enclosed. Some minor craquelure and minor surface dirt.

Silhouette is in good condition, some dirt under the glass and the frame has areas of damage.

The other two works look like they are over a printed base and are very discoloured. The girl has a tear in the paper surface.
