Condition Report

PLEASE NOTE - this condition report is for one specific item in this group Lot. If you require information concerning any of the other items please request this.

568. Lotus Pendant - possibility of a small section having broken off in the past, bottom right side of the leaf, with a few rough edges to the jade. Metal mount quite loose. Faint internal stress line which breaks the surface of the jade running vertically up the right side of the leaf (can be seen in the images on our website).
