### LOT 525

A pair of diamond earstuds, each collet set with a cushion cut diamond, with post and butterfly fittings, total diamond weight approx 0.70ct.

Estimate: £650 - £850

### Condition Report

The diamonds have a noticeable yellow tint.

One diamond has a couple of what look to be natural inclusions which have breached the surface of the stone and look angular in appearance. Located on one side of the diamond across two different facet edges.

Otherwise the diamonds look to be fairly clear stones internally when viewed under magnification.

In generally good condition overall.
