LOT 599

A pair of diamond earstuds, each claw set with the principal circular cut diamond within a surround of smaller circular cut diamonds, with post and butterfly fittings, the butterflies detailed 'K18', diameter of each cluster 0.8cm, with a case.

Estimate: £600 - £900

Condition Report

In general 'as new' condition.

The principal diamonds slightly draw colour to yellow. Under 10x magnification they have one or two tiny inclusions under the table, otherwise look to be fairly clear stones internally.

The surrounding diamonds look to be whiter stones but have a few internal inclusions visible under magnification.
