LOT 530

A diamond and iolite pendant, collet set with a heart shaped cabochon iolite below a triangular step cut diamond, length 3cm.

Estimate: £350 - £450

Condition Report

The iolite has a few inclusions some of which are surface reaching. Minimal wear to the surface of the cabochon.

The diamond appears to be a largely clear stone internally and a bright, sparkling stone. Minor scuffing/scratching to the mount.

Condition largely as new.
