### LOT 1126

A mid-20th century nickel-plated cylindrical glazed ticket clock with thirty hour spring driven movement, displaying two sets of ticket registers with black Arabic numerals, the cylindrical case with swing handle, the top inscribed 'Sekurit Sicherheitsglas', height 16cm.

Estimate: £40 - £60

### Condition Report

1126. The movement winds smoothly and it starts ticking and over a 30 minute test it keeps time, but please be aware we give no guarantees to working order or reliability of any clock or watch.

The case and glass are in generally good order, but the two front feet have had minor additions so the clock slants backwards ever so slightly (why, we don't know). Otherwise typical surface scratches and wear.
