

Glassware / Wednesday, 1st June 2022 / Lot 1741

LOT 1741

A Thomas Webb & Sons bronze iridescent glass vase, circa 1880, the bottle shaped body flanked by two loop handles, height 24.8cm, together with a smaller similar Thomas Webb & Sons bronze iridescent glass vase, height 15.5cm.

Estimate: £50 - £80

Condition Report

Both vases are in good condition overall with no cracks, chips or restoration.

One of the handles of the larger vase has an overall crazed appearance - a manufacturing issue.
