LOT 2022

A 17th century oak court cupboard, fitted with profusely carved panel doors, height 145cm, width 148cm, depth 59cm (alterations).

Estimate: £200 - £400

Condition Report

2022. The top panel is slightly warped at the front and all the carving is probably Victorian. The plinth base is a later addition and the hinges have been replaced. There are fairly typical cracks to the sides and edges of the top. The mould on the left side should easily wash off. There is one lock missing to lower cupboard.
