LOT 548

A white gold, sapphire and diamond pendant in a scroll design, mounted with calibre cut sapphires and circular cut diamonds, detailed '14K', length 3.1cm, with a white gold box link neckchain, detailed '14kt', on a sprung hook shaped clasp, length 42.2cm, total weight 6.3g.

Condition Report

The diamonds appear well matched, look to be bright stones, if slightly drawing colour to grey. They have a few inclusions.

Sapphires similarly well matched, of medium to dark colour saturation.

Generally the pendant and chain are in good condition. Clasp in working order.

Maker's mark 'GJR' to edge of pendant. Would benefit from a clean.
