LOT 508

A gold, platinum, aquamarine and diamond cluster ring, claw set with the circular cut aquamarine within a surround of circular cut diamonds, detailed 'Platm 18ct', weight 2.4g, ring size approx O1/2.

Estimate: £120 - £160

Condition Report

The ring has been resized in the past, with a section let in.

The claws look to have been re-tipped in the past, one however is fairly worn at the side.

The gallery of the ring has been damaged on one side in the past. One support is missing, the other two are split.

Some rubbing to the marks.

The aquamarine has some abrasion to the facet edges, with a few nicks to the girdle.

The diamonds are single cut stones with a few inclusions.

Aquamarine: 6.95mm diameter x 4.65mm depth. Measurements approximate and limited by setting.
