

Glassware / Thursday, 11th August 2022 / Lot 1770

### LOT 1770

An Art Deco Le Verre Français style cameo glass vase, the frosted ovoid body overlaid in purple and decorated with chequered swags, marked 'Charder' to side, height 35cm.

Estimate: £50 - £80

---

### Condition Report

The quality of the decoration in person is poor - I believe this is a reproduction piece, hence being catalogued as 'style'.

There is convincing wear to the underside of the foot.

The vase overall has light surface scratches to varying degrees, and the widest part of the body has a number of surface scuffs running horizontally around the body, particularly noticeable through the frosted areas.
