

Glassware / Thu, 20th October 2022 / Lot 1726

**LOT 1726**

A Lalique frosted and pale opalescent glass Chiens pattern circular bowl, 1920s, moulded with running dogs amidst foliage, moulded mark 'R. LALIQUE', engraved 'France No. 3214', diameter 24cm.

Estimate: £250 - £350

---

**Condition Report**

Small manufacturing flaw amidst the moulding to the footrim - only really noticeable on close inspection. There are a few teeny tiny nicks to the rim edge, the rim edge is also a little uneven in places - perhaps suggesting some minor polishing.

The opalescence is very pale, unless held in the right light.

There are typical light surface scratches to the interior and minor typical wear to the exterior.
