LOT 2049

A 20th century narrow pine dresser, the shaped sides above two cupboard doors, height 191cm, width 96cm, depth 40cm (lacking doors to top).

Estimate: £80 - £120

Condition Report

2049. Would have originally had doors at the top to enclose shelves, as there are visible hinge marks. Otherwise fairly typical overall scuffs, marks and surface knocks.
