LOT 1004

A Chinese famille rose export porcelain plate, Qianlong period, the centre painted with a female flautist and deer beneath a pine tree, within an underglaze blue floral and precious object border and shaped rim, width 22cm (minor rim chips).

Estimate: £50 - £100

Condition Report

1004. There are numerous minor rim chips around the plate but none of any great significance. Otherwise good condition with no cracks or repairs. Typical light surface scratches and wear to glaze and enamel.
