LOT 3422

GUM WRAPPERS. A collection of bubble gum and chewing gum wrappers, including Star Wars, Star Trek, Alien and others issues by Topps, A&BC, and Anglo American Chewing Gum.

Estimate: £40 - £60

Condition Report

Some creasing as you would expect. A few have old scuffing and staining affecting the image area and borders, one or two minor tears to edges. Two Star Trek wrappers have adhesive tape repairing a hole. However, overall they are in relatively good condition, commensurate with age.
