LOT 2108

A set of three mid-20th century Danish teak and beech framed chairs, designed by Hans Wegner for Fritz Hansen, each curved top rail above a triangular seat, bearing maker's marks to underside, height 73cm, width 54cm.

Estimate: £200 - £400

Condition Report

2108. All in good solid condition with minor age related marks. One of the chairs is slightly later in age and has a different label to the underside.
