LOT 2055

A George III mahogany chest-on-chest, the oak-lined drawers with brass drop handles, fitted with a central brushing slide, height 186cm, width 117cm, depth 57cm. Provenance: from the principal contents of Stone House, Bolney, West Sussex.

Estimate: £400 - £600

Condition Report

2055. Lacking several sections of dentil cornice and numerous sections of drawer cock beading. Lacking several sections of moulding, one brass handle and backplate to two handles. Fairly sizeable damage or repair to right-hand side. Brass castors are later additions. Overall wear consistent with age and use. No key.
