LOT 55

John Piper - Exton, Rutland: Monument by Grinling Gibbons, 1686, colour lithograph circa 1964, signed and editioned 49/70 in pencil, sheet size 80.5cm x 58.5cm.

Estimate: £150 - £250

Condition Report

55., The edges do not appear to have been cut down (left, upper and right edges retain the deckle), it is possible lower edge may have been cut down, but the consistency of width with the other three edges would suggest otherwise. The only crease we can determine is a 'dog-eared' lower left corner. Other than minor surface dirt, the print is in good condition overall.
