

Silver and Plate / Wed, 24th January 2024 / Lot 318

LOT 318

A Mappin & Webb plated three-bottle tantalus with locking mechanism, fitted with three square cut glass decanters and stoppers, height 33cm, length 38cm.

Estimate: £100 - £150

Condition Report

318 - All three glass decanters in generally good condition with no significant damage or repairs. Very minor nicks to bottom edges but nothing of any real consequence. All three fit well.

Plated tantalus in good order with typical light wear and scratches. One of the eight securing screws to underside is missing. Please note the key is missing so the locking mechanism does not fully lock but the mechanism is otherwise working as it should.
