LOT 2001

A fine Edwardian oak Wellington chest of nine drawers, probably by Gillows or Holland & Sons, the fluted pilasters carved with stylized leaf terminals, each drawer with carved octagonal handles, height 139cm, width 68cm, depth 45.5cm (lacking one handle).

Estimate: £300 - £500

Condition Report

2001 - One handle replaced and in need of further replacement. Some minor surface marks throughout. A few of the internal screw-in drawer stops are missing. The top drawer has two chips to the corner edges and there are a few other minor knocks to corners. Generally in good order.
