## LOT 745

A Middle Eastern gold, diamond, ruby, sapphire and green enamelled shaped circular brooch, claw set with a circular cut ruby within a sapphire set surround, with green enamelled foliate motifs at intervals, indistinct marks, weight 10.1g, width 3.6cm.

Estimate: £200 - £300

## Condition Report

In generally good condition overall.

Ruby is a treated stone, fairly cloudy in appearance.

The sapphires are opaque, almost black in appearance.

Diamonds are roughly cut, almost chips rather than rose cut.

The green enamel is in good condition.

The pin is slightly bent but is still in working order and secures correctly.
