LOT 2010

A late 18th/early 19th century Colonial padouk campaign linen press, the two fielded panel doors enclosing shelves above four drawers with recessed brass handles, height 206cm, width 107cm, depth 47cm.

Estimate: £200 - £400

Condition Report

2010. Lacking its pediment and we are sure it would have had a stepped moulding at the top. Also lacking door trim on edge of right door. Small repair to edge of carcass around top right drawer and a surface crack to the left side of the carcass beside lower drawer. Otherwise, some surface scuffs and marks. Separates into two sections - base and cupboard.
