

Jewellery / Wed, 2nd October 2024 / Lot 695

## LOT 695

A gold and sapphire pendant brooch, mounted with the elongated cushion shaped sapphire within a beaded and engraved surround, unmarked, weight 4.4g, sapphire dimensions approx 13.5mm x 7.1mm x 5.2mm, length 2.7cm.

Estimate: £200 - £300

---

## Condition Report

The sapphire has been tested. There is some obvious colour zoning evident within the stone.  
We have not send the sapphire to a laboratory so cannot confirm it is has underdone treatment.  
Sapphire with light scratching and a few tiny nicks to facet edges, largely only noticeable under a loupe.  
Deep file mark to the gold mounting on the reverse.  
Otherwise in fairly good condition overall.
