

Jewellery / Wed, 19th February 2025 / Lot 610

LOT 610

A diamond two stone ring, claw set with old cut cushion shaped diamonds in a twistover design, unmarked, weight 4.7g, one diamond weight approx 1.70-1.90ct, clarity grade approx I1, the other diamond weight approx 1.30-1.50ct, clarity grade approx SI2, both colour grade approx K/L, ring size approx J1/2.

Estimate: £4,000 - £5,000

Condition Report

610. The ring is in generally good condition.

Approx carat, colour and clarity are listed in the description.

The shank and setting have typical surface scratches and wear.

Both stones sit securely in the claw setting. Minor chips to girdle of diamonds. Diamonds do catch the light and are quite sparkly.
