

Firearms and Edged Weapons / Wednesday, 5th March 2025 / Lot 3560

LOT 3560

A fine early 19th century percussion pocket pistol with round turn-off steel barrel, barrel length 7.2cm, foliate-engraved lock of rounded form and finely chequered carved walnut grip.

Estimate: £60 - £100

Condition Report

3560. Action is smooth but does not lock in half or full cock. Spring feels good but action needs attention.
